– Why do we include a client meeting?

In all our wedding packages we give you the option of having a client meeting to organize your Wedding Evening Party.

This enables you to put ideas together with your DJ on how you would like the evening to flow; the planning of times and arrangements, from cutting the cake to your first dance, or any other special requirements you may have.

All of ideas and arrangements will go on a schedule for the evening with notes from the client meeting.

This will then be with us on the night so you have no worries on your big day.

– Getting to Know your DJ

We know it's important for you to get to know the DJ you are booking your Wedding Evening Entertainment with.

Getting to know your DJ personally at the client meeting means you can see who they are and what they have to offer.

We aim to cater to your vision for your dream wedding and will help you to build your own
